Ehud Shalom
Enclosed you will find a presentation of ENDOSPAN a VITALIFE portfolio company which develops and produce very unique devices for treating Aortic Aneurysm.
The company owns many families of patents and significant clinical experience.
I will appreciate very much if you can introduce ENDOSPAN to your Chinese group and we will very happy to host and meet with them while they are in ISRAEL.
The company is ;located in HERTZELIA
Thanks a and regards
AVI
